

## WINTER LEAGUE PISTOL RULES

**You should be able to sign up for the league at the club when it's open after 12/14/23.**

**League** will start on January 4<sup>th</sup> and conclude on April 1<sup>st</sup>. League shooting will be hosted by Gary & Herm on Thursday nights which is a league only night. It will be hosted by myself on Sunday from 12:00 to 15:00 and Tuesday from 18:00 to 20:00. These are also open range days so none league shooters may be present.

**Cost** will be \$35.00 per gun or \$100.00 for three 22, CF & 45. You will get a card for each gun you sign up to shoot.

**Targets** will be scored using NRA scoring. If a shot is tangent to the line separating scoring rings the shot will be scored at the higher value. You will receive 12 targets for each gun that you have purchased a shooting card for. Your targets will be labeled and placed in manilla folders on the filing cabinet next to the fireplace. You will punch a hole in your card for each target that is turned in. You may shoot as many targets on any shooting night that you wish. The targets will be logged by the number label attached to each target.

**Practice Targets** will be available in packs of 10 for \$1.00. If you only shoot your practice targets you will still need to pay the \$3.00 range fee in the box on the back wall of the range and write your name in the book. You may shoot as many practice targets as you wish and one or more league targets and it is covered with your league card.

**Shooting** Is to be done with one hand unsupported unless you are sixty years or older or are a junior of slight stature that can't support the gun with one hand. If two hands are used your hands still must be unsupported.
