

QUA-KE-ZIK

BULLSHOOTER

MARCH 2022

MEETINGS

The April Business Meeting will be held at 730PM on April 12th. The April Board Meeting will be held at 730PM on April 19th.

HERM DEHAAN

On March 15th, we lost Exclusive Life Member Herm DeHaan. He was a VietNam veteran who came back with the fatal Agent Orange. He was a 100% Disabled Veteran. Herm became a Full Member in 1995. He enjoyed shooting rifle, pistol and shotgun. He was a mainstay for our Wednesday morning shoots at the club. He, Bob Lipsey and I last shot pistol together on Wednesday, March 9th. That afternoon, his wife took him to the doctor and then to emergency when he continued downhill. To say the least, he will be missed!

CLUB OFFICERS:

President-Ray Butts

Vice-President-Ron Boehm

Treasurer-Mark Goss

Secretary-John Black

Sergeant-at-Arms-Scott Young

Field Captain-Scot Smith

ADVISORY BOARD

Charlie Schwaiger and Herm Dehaan two year terms will until 2023.

Randy Tomc will replace Larry Hesheer and fill his term until 2023.

Tom Ancliff, Gary Mulik, Eric Spros, and Dale Hollister were elected to two year terms ending in 2024.

WINTER SKEET/TRAP LEAGUE.

The annual skeet and trap league began the second Sunday in January. We will be shooting on *SUNDAYS ONLY!* Ammo is available for skeet and trap but *ONLY FOR USE HERE!* For information and sign up see Mark Goss. It's been cold and windy. I say it's fun until you see your scoresheet. Remember you have to complete the first four rounds of skeet and/or trap by the end of the first four weeks.

PISTOL LEAGUE

See Gary Mulick for details and schedule. There appears to be more names than usual this year.

We need help for the skeet/trap league, the pistol league and the Pistol Poker shoot. Don't just come out and sit around. Talk to Gary Mulick or Mark Goss to learn what you have to do so that they can have a break.

HUNT DRAWING

For those of you who are unaware and don't attend meetings, the Exclusive Members voted to allow three full members hunting privileges on club property in hopes of curbing trespassers. At the March Meeting a drawing was held and Ron Boehm, Matt Grieves and Jeff Doran were the winners. Good luck!

CORONAVIRUS

Things seem to be loosening up a little but...

Just abide by the signs on the club doors.

Who Can keep up with the Governor's health mandates? Check the club website for our current status. Be safe by washing your hands, avoid touching your face, wear a mask when necessary and remember social distancing.

FULL MEMBER MEETING

A Special Full Member Meeting will be held Saturday May 14th. I believe

that it will start at 7:30PM. See next newsletter if there are any changes to this. Again, this is a meeting for full members ONLY.

CLUB WORK DAY

April 9th is our annual club cleanup work day. Rakes, shovels, brooms, etc are welcome. If you feel that something special and out of the ordinary cleanup should be done, bring it to the club's attention and, if possible, we'll get it done. HOPE TO SEE YOU THERE.

ROUND ROBIN

Our annual Round Robins will begin in April. For those of you who do not know, this is an annual event where we shoot at six different clubs. We get to meet and visit with old friends from these clubs. It's a fun event where you shoot either skeet or trap or both. As with everything, costs have gone up. **ADDRESSES, PHONE NUMBERS AND

Please keep the club advised of any
changes in your address, e-mail and
phone numbers. We cannot let you
know what's happening if we can't
contact you.

NICS CHECKS

The ATF/FBI has made some
changes regarding the use of
Concealed Carry Permits in lieu of a
NICS background checks. To make it
short, ALL firearms purchases
through an FFL dealer MUST have a
NICS background check! All non-FFL
dealer transaction rules will remain
as before.

RIFLE RANGE

The Rifle Range rules are posted at
the rifle range. Please read them
and adhere to them.

The target boards get heavily
damaged by constant normal use.
We try to keep them in good repair,
but we need more help. If you are
willing to assist, please contact a
club officer.

Please put your target **BELOW THE
RED BOARD.**

If you want to pattern your shotgun,
please use the pattern board
located at the east side of the trap
range.

No shotguns on the rifle/pistol
range except for slug guns.

If there are other shooters at the
rifle range, please try to be
courteous to them, i.e. give them
the opportunity to set out targets or
change targets, don't let your brass
fly in front of the other shooters.
You don't want to have someone 's
brass flying in front of your face,
hitting you or worse yet having a hot
semi-auto round go down your
neck. So, please, don't do it to
others.

**ALSO, THIS IS NOT A TACTICAL
SHOOTING RANGE! DO ALL YOUR
SHOOTING FROM THE CONCRETE
PADS.**

We recently found some cans in the
trash that had been used for target
practice. **DO NOT SHOOT AT
JUNK!!!!**

If you must drive to the 100 and 200
yard backstops, watch out for the
SOFT sand. The sand is very soft and

fine in front of both 100 and 200 yard backstops. Proceed with caution unless you want to call a tow truck in addition to cleaning up your mess.

Please remember NO ALCOHOL on the shooting ranges.

DON'T BE PIGS. PICK UP YOUR TRASH!!!

FUTURE NEWSLETTERS

All future newsletters will be on the new website Quakezik@gmail.com

SKEET AND TRAP

Before shooting skeet or trap, please check at the club house to make sure that no one is waiting to go out and shoot.

Also, please refill the machines when you are done shooting.

POKER SHOOT

We are now having a poker shoot at the pistol range. This sounds like a lot of fun and the only skill necessary is that you be able to hit the backstop. Anyone can win. Rules are posted at the club. Once again, Gary needs help. See him and learn what to do.
