INDOOR WINTER PISTOL LEAGUE

The pistol league will start Tuesday, January 3rd. The league will run twelve weeks with the final targets due no later than April tenth to allow for makeups.

The league will cost \$40.00 per gun. Once you are signed up you will be furnished twelve targets identified for each week of the league. They

will be kept on top of the filing cabinet next to the fireplace.

The course of fire for the league will be ten shots per target. All ten shots will be fired and then the target can be scored and turned in. During league nights once targets are shot, they will be passed to another shooter to be scored. When scoring a shot that is tangent to the outside of the scoring ring will be the value of the higher scoring ring. Each target will have the maximum scoring capability of 100-10X. X's are counted as a ten as well as counted.

Each target will be verified before entering into the league record log, then posted at the club. The targets can be shot one or two handed but can't be supported during firing. Practice targets will be available for five for a dollar.

Gary Mulick mulick@gmail.com will have the pistol range open on Thursday nights from 7PM until 9PM. League shooters only.

Randy Tomac npjrc@hotmail.com will have the range open on Tuesday nights 7-9PM.

Leagues can also be shot on Sundays 10AM to 3PM.

Shooters can use either one hand or two hands but no rests.

CLUB OPEN HOUSE

We are planning on hosting an open house for the public on Saturday, August 12th. We will waive the \$25.00 initiation fee for those who want to join on that day. Skeet and trap will be offered at \$4.00 per round. Free range time at the outdoor rifle/pistol range. And there will be free food for all.

PROPOSAL

It has been proposed that we have a trial "open to the public" for the outdoor rifle/pistol range twice a month (Sundays) from 10AM to 3PM May through October. We would charge \$15.00 per hour per shooter. Two workers per day will be needed to open, maintain and

cleanup the range. They can be paid \$50.00 per day or have those hours credited for reduction of dues. We will need volunteers from both the full and social members. If this is successful, it could reflect on future dues increases.

REMINDER

When shooting at the rifle/outdoor pistol range, shoot only from the benches.

Remember to put out the **RED FLAG** when going out in front of the shooting benches.

SHOOTING FEES

We have eliminated the first time is free rule on the rifle range. We have found that there are a lot of "first time" guests down there. It is now \$5.00 per guest.

Also, as many of you have noticed, there is a donation box at the rifle range. We strongly encourage (beg) donations to keep the range in good repair for your shooting enjoyment. We don't want to raise dues but repairs/upkeep are costly and the money has to come from somewhere.

**ADDRESSES, PHONE NUMBERS AND
E-MAIL ADDRESSES**

Please keep the club advised of any changes in your address, e-mail and phone numbers. We cannot let you know what's happening if we can't contact you.

NICS CHECKS

The ATF/FBI has made some changes regarding the use of Concealed Carry Permits in lieu of a NICS background checks. To make it short, ALL firearms purchases through an FFL dealer MUST have a NICS background check! All non-FFL dealer transaction rules will remain as before.

ALSO, I HAVE BEEN INFORMED BY NICS THAT 10-20 YEAR OLD COMPLETING FORM 4473, THE NICS CHECK WILL BE DELAYED.

RIFLE RANGE

There is a donation box near the pole barn door. Please feel free to donate to it. The club has to pay for repairs and maintenance of the target backboards and your donations WILL help to keep your dues from increasing.

The Rifle Range rules are posted at the rifle range. Please read them and adhere to them.

The target boards get heavily damaged by constant normal use. We try to keep them in good repair, but we need more help. If you are

willing to assist, please contact a club officer.

Please put your target **BELOW THE RED BOARD.**

If you want to pattern your shotgun, please use the pattern board located at the east side of the trap range.

No shotguns on the rifle/pistol range except for slug guns.

If there are other shooters at the rifle range, please try to be courteous to them, i.e. give them the opportunity to set out targets or change targets, don't let your brass fly in front of the other shooters. You don't want to have someone's brass flying in front of your face, hitting you or worse yet having a hot semi-auto round go down your neck. So, please, don't do it to others.

ALSO, THIS IS NOT A TACTICAL SHOOTING RANGE! DO ALL YOUR SHOOTING FROM THE CONCRETE PADS.

Pick up your trash PLEASE!!!

If you must drive to the 100 and 200 yard backstops, watch out for the SOFT sand. The sand is very soft and fine in front of both 100 and 200 yard backstops. Proceed with caution unless you want to call a tow truck in addition to cleaning up your mess.

Please remember **NO ALCOHOL** on the shooting ranges.

FUTURE NEWSLETTERS

All future newsletters will be on the new website Quakezik@gmail.com

SKEET AND TRAP

Before shooting skeet or trap, please check at the club house to make sure that no one is waiting to go out and shoot.

Also, please refill the machines when you are done shooting.

SHOOTING RANGES

It's too bad that people don't (or can't) read the newsletters or the website. I am still finding pistol brass down range near the 50 yard targets. I don't know of any 9MM pistol or rifle that will eject brass that far. And there are a few people who expect others to pick up their trash, remove used targets, etc.

PLEASE don't put things to shoot at on top of the top of the 2X4's that hold the shooting backstop boards. Lately, I've seen clay targets (from the skeet & trap ranges) placed on top of these boards. This is not allowed at these ranges.

If you can't abide by **OUR** rules, you will be asked to leave **OUR** ranges. There aren't many ranges that allow you to come and shoot at your convenience. So, if you want to enjoy this convenience, abide by **OUR** rules or else you may be asked to shoot someplace else.

It's too bad that most of these people I am talking about don't read the newsletter or the website.

DON'T FORGET TO SIGN IN AT THE RIFLE AND PISTOL RANGES. ALSO SIGN IN FOR THE SKEET AND TRAP RANGES WENT SHOOTING OTHER THAN TUESDAYS AND SUNDAYS.

POKER SHOOT

We are now having a poker shoot at the pistol range. This sounds like a lot of fun and the only skill necessary is that you be able to hit the backstop. Anyone can win. Rules are posted at the club. Once again, Gary needs help. See him and learn what to do.

**SEE YOU AT
THE CLUB!
STAY SAFE!**
