Two boxes for shotgun events (#71/2, 8 or 9 shot), pistol and rifle shells.

You must sign up by 10AM. Shooting partners will be drawn. You may use more than one hand gun for the pin shoot but it will be timed. At the end of the shoot, partners will again be drawn to see who won. No was to sandbag here. Just have full. HONORS AND FUN ONLY. Come our and join the fun.

CLUB OPEN HOUSE

We are planning on hosting an open house for the public on Saturday, August 12th. We will waive the \$25.00 initiation fee for those who want to join on that day. Charge will be \$15.00 per person per hour. Must sign up at the clubhouse and leave driver's license. A card will be given to the shooter which will have time started and finished signed by the workers at the range.

REMINDER

When shooting at the rifle/outdoor pistol range, shoot only from the benches.

Remember to put out the **RED FLAG** when going out in front of the shooting benches.

SHOOTING FEES

We have eliminated the first time is free rule on the rifle range. We have found that there are a lot of "first time" guests down there. It is now \$5.00 per guest.

Also, as many of you have noticed, there is a donation box at the rifle range. We strongly encourage (beg) donations to keep the range in good repair for your shooting

enjoyment. We don't want to raise dues but repairs/upkeep are costly and the money has to come from somewhere

ADDRESSES, PHONE NUMBERS AND E-MAIL ADDRESSES

Please keep the club advised of any changes in your address, e-mail and phone numbers. We cannot let you know what's happening if we can't contact you.

NICS CHECKS

The ATF/FBI has made some changes regarding the use of Concealed Carry Permits in lieu of a NICS background checks. To make it short, ALL firearms purchases through an FFL dealer MUST have a NICS background check! All non-FFL dealer transaction rules will remain as before.

ALSO, I HAVE BEEN INFORMED BY NICS THAT 10-20 YEAR OLD COMPLETING FORM 4473, THE NICS CHECK WILL BE DELAYED.

RIFLE RANGE

There is a donation box near the pole barn door. Please feel free to donate to it. The club has to pay for repairs and maintenance of the target backboards and your donations WILL help to keep your dues from increasing.

The Rifle Range rules are posted at the rifle range. Please read them and adhere to them.

The target boards get heavily damaged by constant normal use.

There are new target board, screws and screw bits near the pole barn door. You are free to replace these target boards as necessary but your must bring your own portable drill.

We try to keep them in good repair, but we need more help. If you are willing to assist, please contact a club officer.

Please put your target **BELOW THE RED BOARD**.

If you want to pattern your shotgun, please use the pattern board located at the east side of the trap range.

No shotguns on the rifle/pistol range except for slug guns.

If there are other shooters at the rifle range, please try to be courteous to them, give them the opportunity to set out targets or change targets, don't let your brass fly in front of the other shooters. You don't want to have someone 's brass flying in front of your face, hitting you or worse yet having a hot semi-auto round go down your neck. So, please, don't do it to others.

ALSO, THIS IS NOT A TACTICAL SHOOTING RANGE! DO ALL YOUR SHOOTING FROM THE CONCRETE PADS.

Pick up your trash PLEASE!!!

Somehow, shotgun pellets were found in the rifle range backstop. Again, **ONLY** shotgun slugs are allowed on the rifle range. If you want to pattern your shotgun, there is a pattern board at the trap range. I doubt that this note will have any effect on the violators as they probably don't read the newsletter. Get a license plate number and report it to any club officer. We don't need these people in our club. If you must drive to the 100 and 200 yard backstops, watch out for the **SOFT** sand. The sand is very soft and

fine in front of both 100 and 200 yard backstops. Proceed with caution unless you want to call a tow truck in addition to cleaning up your mess.

Please remember **NO ALCOHOL** on the shooting ranges.

FUTURE NEWSLETTERS

All future newsletters will be on the new website Quakezik@gmail.com

SKEET AND TRAP

Before shooting skeet or trap, please check at the club house to make sure that no one is waiting to go out and shoot.

Also, please refill the machines when you are done shooting.

POKER SHOOT

We are now having a poker shoot at the pistol range. This sounds like a lot of fun and the only skill necessary is that you be able to hit the backstop. Anyone can win. Rules are posted at the club. Once again, Gary needs help. See him and learn what to do.
